Mosaïc Hidràulic

La següent sèrie que hem anomenat "Il·lusió" i que presentem a continuació corresponen a un recull de models que es van fabricar a principis del segle XX, aquest actualment no estan en producció per no tenir els motlles corresponents, per tant seria la nostra il·lusió poder recuperar aquests dissenys del modernisme, lamentablement per no repercutir els costos dels motlles només podrem atendre comandes d'aquests per a quantitats superiors a 25 mt2.
